JG

JAREER GHANY
SOWTWARE DEVELOPER

OBJECTIVE

Software developer who specializes in frontend who creates amazing user experiences. My goal is to become a great software engineer to enable my profession in every field.

SKILLS

Excellent writing and communication skills, with experience creating high-quality content.

Extensive knowledge in field of mathematics and physics. Very good at obtaining valuable resources of information.

Able to grasps concepts quickly, as a self-taught and bootcamp student I have shown great promise in concepts never done before.

EXPERIENCE

CODING EXPERINCE:
Coding and learning on a weekly basis putting in around 14-16 hours whilst observing school during the day.
Have built several projects which can be viewed in my e-portfolio

EDUCATION

PRESENTATION COLLEGE, 2017-
Currently in my second year of A-levels.

FRONTEND SIMPLIFIED BOOTCAMP, 2023-
I have almost completed the bootcamp, which is supposed to be a one year long.

LEADERSHIP EXPERIENCE

Collaborated with many fellow students and have led in many project-based assignments in college.
Have also lead many in-person charitable organizations for kids in school as an integral part in the digital media club in school
